## about the school

---

Decatur School of Ballet offers classes for adults, teens, and children in ballet, jazz/hip hop, tap, modern, swing, creative movement, lyrical, and Scottish Highland dance. Headquartered in the City of Decatur, the school is structured on a ten-month curriculum (August-May) and offers special summer programs. Careful attention is given to placing each dancer in appropriate classes based on age, technical level, and ability. Individual evaluations are done for each student. Providing quality dance instruction by professionals in a friendly atmosphere is the foundation of our school. Decatur School of Ballet serves the needs of students who wish to dance “just for fun” and those who aim to be professional dancers and teachers. Our school welcomes people from varying racial, cultural, and economic backgrounds.

Although we are in the business of teaching dance, the development of each student as an individual is at the core of our endeavors. Experience in and knowledge of the arts help us express our individual creative and cultural human potential. **Visit our website at [decaturballet.com](http://decaturballet.com).**

## about decatur city dance

---

Decatur School of Ballet is the official school of Decatur City Dance (DCD). Under the artistic direction of Leslie Palmer Gourley, DCD is the oldest performing dance company in DeKalb County and is currently in its 72nd season. The company is a nonprofit corporation financially supported by contributions, grant funds, membership dues, and ticket sales. Four performing groups are under the company umbrella. *AboutFace* (directed by Toya Willingham) presents contemporary, modern and jazz, *The Nexus Company* (directed by Leslie Gourley and Jessica Reese) present ballet, jazz, and contemporary, and *The Rhythm Keepers* and *The Junior Rhythm Keepers* (directed by Kyme Hersi-Sallid) present tap. As a community arts organization, DCD provides quality performances for metro Atlanta audiences and outreach programs for retirement homes, schools, and community groups.

Dancers become members of DCD by audition. They are talented dancers who are either professional performers or want to make a commitment to dance as one of their special extracurricular activities. Many company dancers started their dance training at our school at an early age and progressed into the performing company. Many teachers in the school have worked with the company as performers and/or choreographers.
